

POP SAFE SOLUTIONS

Smart Kids. Safe Tech. Simple Solutions.

Student protection. A clear plan. Expert support.

Our coordinated student-protection program combines policy review, staff training, Power Over Predators student curriculum, technology protections, and resources for families. Our team guides implementation so your school doesn't have to figure it out alone.

Less than 1% of your school's annual hours.

2 teams ➡ 1 mission

Your school's team. Backed by a powerhouse team.

School leadership. Child protection. Prevention education. Online safety.

You know your school. Together, we put protection into practice.

3 CONNECTED AREAS

ADMINISTRATION

Policies. Procedures.
Shared responsibility.

CURRICULUM

Identity. Purpose.
Life skills. Recognizing risk.

TECHNOLOGY

Devices. Networks.
Online protections.
